Alcohol Breathalysers Terms & Conditions

Payment Terms: 100% advance reflecting payment.

Transport: Deliveries subject to MOV's to one location in South Africa only, after receipt of an official order and 100% advance reflecting payment. We do not transport orders outside the borders of South Africa, this will be for your own arrangement and cost.

New Purchase Lead-Time: 2 – 3 working days depending on your order quantity and delivery location.

Availability: Due to the ongoing global pandemic we cannot guarantee the above delivery timeframe, this is a guideline and Quantumed will not be held liable for any delays in this regard.

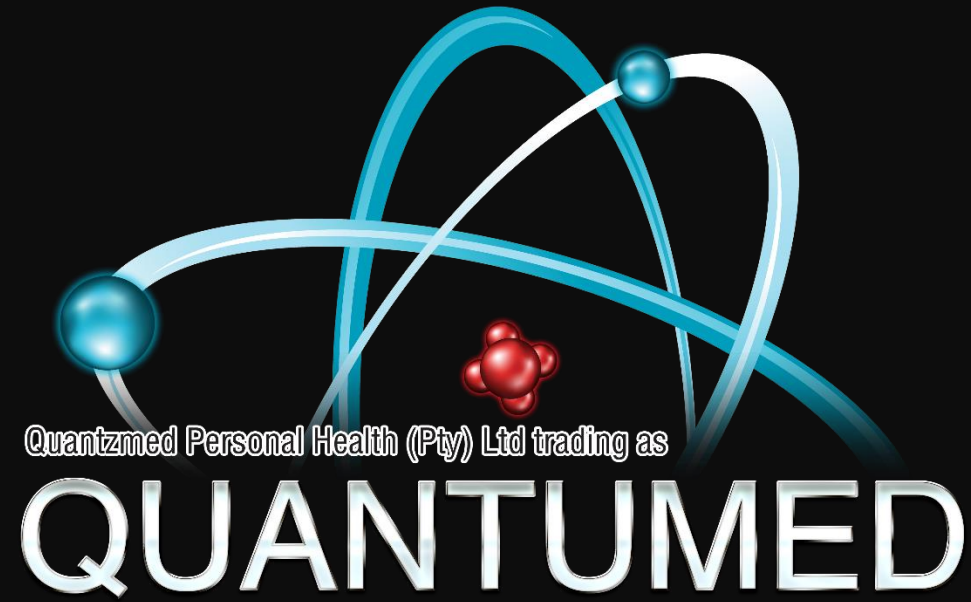

Note: Digital breathalysers need to be calibrated/quality checked and certificates issued before dispatch. It is therefore not an item that sits on the shelf.

Validity: Prices are valid for 1 calendar month.

Pricing: Unit pricing excludes VAT.

Important: Take note of any Minimum Order Quantities (MOQ) items.

Calibration/Repairs: May take up to 7 working days turnaround time during busy periods.
