# Alcohol Breathalysers Terms & Conditions

**Payment Terms:** 100% advance reflecting payment.

**Transport:** Deliveries subject to MOV's to one location in South Africa only, after receipt of an official order and 100% advance reflecting payment. We do not transport orders outside the borders of South Africa, this will be for your own arrangement and cost.

**New Purchase Lead-Time:** Approx. 3 working days depending on your order quantity and delivery location.

**Availability:** Due to ongoing Eskom loadshedding & events out of our control, we cannot guarantee the above timeframe, this is a guideline and Quantumed will not be held liable for any delays in this regard.

**Note:** Digital breathalysers need to be calibrated/quality checked and certificates issued before dispatch. It is therefore not an item that sits on the shelf.

**Validity:** Prices are valid for 1 calendar month.

**Pricing:** Unit pricing excludes VAT.

**Important:** Take note of any Minimum Order Quantities (MOQ) items.

**Calibration/Repairs:** May take up to 7 working days turnaround time during busy periods.
